### Promoting Independence & Good Time Keeping

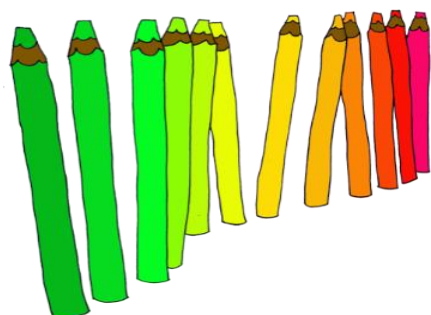

Please encourage your child/children to go upstairs independently in the mornings if they learn on the first and second floor. This will help us start teaching on time and promote independence. Thank you.

### Lost Property

We have several items of lost property. If it is dry we will display them outside at the end of the day near the community room door. Please take a moment to find lost items.

Thank you for supporting our focus on improving attendance and punctuality- it is getting better!

We would also like to remind you to make appointments outside of school hours wherever possible. We want to make the most of learning time.

### Coffee Morning.

Please feel free to pop into the school hall on Wednesday 5<sup>th</sup> October after drop off. This is a very informal opportunity to meet other parents/carers and everyone is welcome.

School shares parental concerns about vehicles on Treverton Street and has alerted the council but please note that school staff have no authority over public land. We respectfully ask the public not to drive or smoke at school entrances but we only have control over school property. You can support us if you wish by logging concerns directly with RBKC.
