

Year Group: Nursery

Week beginning: 26.6.17

Next week we are going to continue thinking about a book called 'Come away from the water, Shirley!' The weather was very warm last week and we spent lots of time in the Outdoor Area. We have re-scheduled lots of our indoor activities so that we can complete them this week.

We will be:

- Writing the words to the untold story – what is Shirley doing while her parents are sunbathing?
- Creating our own treasure island pictures using dried food.
- Describing treasure islands using a range of adjectives
- Using 2D shapes to create pictures
- Practising for our Class Assembly

Important Reminders:

- The **Reception Open Morning** will take place on Thursday 29th June at 9.00am. This is a fantastic opportunity for parents to come and meet the children's new teachers and find out which classroom they will be learning in!
- Our **Class Assembly** will be taking place on Thursday afternoon, at 3.15pm. We start very promptly so please don't be late, as you may not be allowed to come in.
- We will be concluding our learning on Pirates next week and to celebrate we will be having a **'Pirate Day' on Friday**. The children can come to school dressed in pirate clothes and we will be making props during the week.
