

The Three Little Pigs

Fig Class - February 2017

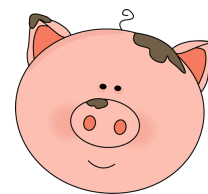

Fig Class took a visit to see their marvellous display situated in the corridors of the school. The display is based on the fairy-tale The Three Little Pigs and Fig Class made some fabulous pieces of work. We had lots of fun printing with paints, collecting sticks and getting messy with hay and glue. Alongside our wonderful artwork, we also worked very hard to write *sorry letters* to the pigs from the wolf and designed *wanted posters* to find and stop the wolf from blowing down any other houses! We hope you like our display!
