

Barlby Primary School Newsletter

Date: Friday 10th September

Newsletter: 1

The Friday newsletter is back! You will receive a letter in your inbox every Friday in term time. We have now enjoyed our first full week in school with the children and everyone is settling in beautifully. As expected, with all new buildings there has been some teething problems but overall we are delighted with our new facilities. In the next phase our main pupil entrances will be built and our playgrounds will be landscaped. Work is due to be completed in November.

School Meals

We welcomed our new chef Lucio and his team this term and he has not disappointed! The food is delicious and we are very glad to see many more families moving from packed lunch to the nutritious meal provided by school. There are halal, non-halal and vegetarian options and the children are served with a smile!

You can e-mail us.

During periods of school closure, we all shared our e-mail addresses and this helped keep the lines of communication open. Attached to this letter you will find e-mail addresses for the teachers and key staff. Sometimes it is faster to e-mail than queue at the office. We will aim to respond to you very quickly.

Drop Off & Collection

Our parents and carers have been brilliant with the new systems. We have tried to balance efficiency with safety as we have just one entrance currently. You have helped us by leaving buggies outside and collecting alone. Thank you for wearing a face covering when inside.

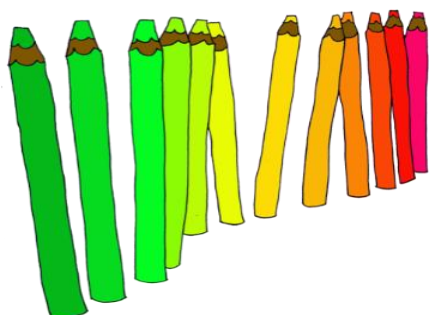

Rest assured that the vast majority of children now know their way around the building better than some adults!!

Breakfast Club and Playcentre

Our extended day facilities re-opened on the first day of term. We offer wraparound care for working /studying parents/carers from 7.45am-6pm.
