Class Assemblies

We are making a cautious return to short class assemblies at 9am on Fridays and parents/carers are invited although we do expect you to wear a face covering. Please note that most of the school will be present so social distancing will not be possible.

Friday 15th October Ladbroke 5

Parent/Carer- Teacher Meetings.

Mr Mannix sent a letter to the community on Wednesday to encourage parents/carers to make appointments with teachers during the month of October. We would like progress meetings earlier this term due to the amount of time lost last year due to the pandemic.

Feel free to e-mail class teachers directly to arrange a convenient meeting time. It would be good to see you in person but we completely understand if you would prefer a meeting via ZOOM.

Thank you for wearing a face covering when you are inside the building.
