

COVID 19 RISK ASSESSMENT

Barlby Primary School

This document is to be reviewed as a result of any incidents that occur or changes in delivery/guidance

Assessment completed by: Anthony Mannix

Document Revised: 8th December 2021

Updated versions of this document are shared on Governor Hub.

Hazard	Spread of Coronavirus- Covid 19		
Who may be harmed	Children, staff, parents, family members, vulnerable, cleaners, visitors, contractors		
Existing Measures	Measure to take	What further action is necessary	To be reviewed
Transmission of Coronavirus / spread of COVID-19 (GENERAL)	<p>Prevention:</p> <ol style="list-style-type: none"> 1) Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the setting. 2) Ensure face coverings are used in recommended circumstances 3) Ensure everyone is advised to clean their hands thoroughly and wash their hands more often than usual 4) Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents 6) Maintain social distancing wherever possible 7) Keep occupied spaces well ventilated 8) Ensure individuals wear appropriate personal protective equipment (PPE) where necessary 9) Promote and engage in asymptomatic testing, where available <p>Systems of Control</p> <p>Response to any infection:</p> <ol style="list-style-type: none"> 10) Promote and engage with the NHS Test and Trace process, if contacted. 11) Close contacts will now be identified via NHS Test and Trace and education and childcare settings will no longer be expected to undertake contact tracing. 12) Indication for when to seek public health advice if they are concerned. <p>For most education and childcare settings, whichever of these thresholds is reached first:</p>	<p>This risk assessment is a working document and HT and SLT will monitor daily</p> <p>Face coverings are encouraged for staff and adult visitors where social distancing between adults is not possible in corridors and communal areas</p>	Daily

5 children, pupils, students or staff, who are likely to have mixed closely, test positive for COVID-19 within a 10-day period; or 10% of children, pupils, students or staff who are likely to have mixed closely test positive for COVID-19 within a 10-day period
13) Contain any outbreak by following PHE local health protection team advice
14). May be contacted in exceptional cases to help with identifying close contacts, as currently happens in managing other infectious diseases

Actions:

Identify (and record that this has been carried out for every individual) all staff and students who are either [clinically vulnerable](#), [clinically extremely vulnerable/shielded](#) or have household members who are shielded, with the Head teacher prior to them entering the school.

- Clinically extremely vulnerable (CEV) people are advised, as a minimum, to follow the same guidance as everyone else. <https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19>
- Clinically vulnerable' children and staff should follow the advice of their doctor.
- Encourage vaccine take up and enabling staff who are eligible for a vaccination to attend booked appointments where possible; (including boosters)
- Ensure that staff members and parents/carers understand that they will need to be ready and willing to: book a PCR test if they or their child are displaying symptoms
- Children who are aged under 5 years old who are identified as close contacts will only be advised to take a PCR test if the positive case is in their own household.
- Identify those staff or pupils who are, or who live with someone who is, symptomatic or a confirmed case of COVID-19. <https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested>
- Individuals are not required to self-isolate if they live in the same household as someone with COVID-19, unless **Omicron variant** has been identified. or are a close contact of a positive COVID-19 case and any of the following apply:
 - they are fully vaccinated.
 - they are below the age of 18 years 6 months
 - they have taken part in or are currently part of an approved COVID-19 vaccine trialthey are not able to get vaccinated for medical reasons
- Separate risk assessments for children on EHC plans, carried out with educational providers and parents/carers, to ensure child is at no more risk in the school setting than at home.
- Set up clear, repeated messaging to parents/carers that pupils must not attend if they, or a member of their household, has COVID-like symptoms or a positive test.
- The decision to refuse a child's attendance if in reasonable judgement it is necessary to protect children and staff from possible infection with coronavirus (COVID-19).
- Carry out individual risk assessments for all visiting teachers and ITT trainees and ensure these are shared with the visitor.
- Wear PPE where an individual child or young person becomes ill with coronavirus (COVID-19) symptoms while at schools, and only then if a distance of 2 metres cannot be maintained.
- Children and staff travelling from abroad. All children and staff travelling to England must adhere to travel legislation, details of which are set out in red, amber and green list rules for

	entering England. Parents and carers should bear in mind the impact on their child's learning and development which may result from any requirement to quarantine or isolate upon return.		
Hand washing	<ul style="list-style-type: none"> ➤ Hand Sanitiser dispensers and anti-bacterial spray/wipes to be readily available in the entrance to school, entrance to side gate entrance and located at entrance to each classroom ➤ Hand washing facilities with soap and water in place in classrooms, staff room, front office and toilets. ➤ Guidance for effective hand washing shared with staff and pupils: https://www.nhs.uk/live-well/healthy-body/best-way-to-wash-your-hands/ ➤ Paper towels available in staff rooms and all bathrooms and toilets ➤ Cleaners to ensure that stock of handwashing soaps and paper towels are available at the end of each day ➤ Cleaners to ensure that tissues are well stocked and readily available in all classrooms ➤ Make sure everyone is washing their hands with soap and water for at least 20 seconds across the school day, particularly: <ul style="list-style-type: none"> ➤ After coming into school ➤ After sneezing or coughing ➤ Before and after handling or eating food ➤ After going to the toilet ➤ Children will sanitise hands on exit to break, and sanitise on arrival back into the classroom ➤ Sink installed on terrace to enable hand washing before entering the classroom ➤ Encourage children and staff to avoid touching their face with unwashed hands 	Maintain a strict stock control to ensure that replenished when finished	Daily
Cleaning	<ul style="list-style-type: none"> ➤ Arrange for additional cleaning in areas high contact areas eg. railings/stairwells/banisters ➤ Daily cleaning of entire building by cleaners each day, paying particular attention to surfaces, chairs, underneath edging of tables, areas at children's height; heavy traffic areas such as door handles and electronic door entry systems, kitchen sink areas ➤ Surfaces in classroom such as tables and chairs will be cleaned more frequently ➤ Toilets in classrooms will be cleaned paying particular attention to sink taps, toilet doors, toilet seats, toilet flush areas. These areas will be cleaned regularly throughout the course of the day. Especially before lunch time and after lunch ➤ Frequently cleaning and disinfecting objects and surfaces that are touched regularly particularly in areas of high use such as; <ul style="list-style-type: none"> - door and window handles - banisters - Furniture - Classroom tables and chairs - light switches - Computer equipment including keyboards and mouse - Telephones - Reception area using appropriate cleaning products and methods. ➤ Staff to limit sharing resources ➤ For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and have their own items that are not shared. 		Daily

	<ul style="list-style-type: none"> ➤ Ensure all cleaning equipment is stored in a safe area away from the reach of children but remains easily accessible to staff ➤ Ensure staff know the whereabouts of PPE, and are trained to use it safely 		
Sneezing, coughing,	<ul style="list-style-type: none"> ➤ Tissues and bins available in all classrooms, plastic refuse bags lining bins ➤ Staff will remind children to catch their cough or sneeze into tissues or in their elbow ➤ Staff support children to dispose of their tissues and immediately wash their hands, and will be a focus daily as new children are admitted ➤ Children reminded to keep their fingers/hands away from their face as much as possible ➤ Staff remind children about maintaining space where possible ➤ Bins will be emptied each day, replaced with new bin bag- monitored by SLT 	Food waste must be thrown away asap	Daily
Ventilation	<ul style="list-style-type: none"> ➤ All indoor areas used must be ventilated adequately ➤ Pupils to use outdoor space as much as the timetable allows. 		Daily
Safeguarding	<ul style="list-style-type: none"> ➤ Addendum to Safeguarding Policy is available. Safeguarding Policy has been reviewed with Keeping Children Safe in Education 2021 updates. ➤ All staff have received said information and are aware of safeguarding arrangements. ➤ Designated Safeguarding lead on site each day ➤ Emergency contact details shared with staff in case of safeguarding concerns ➤ CPOMS software is in use 	Keeping Children Safe in Education update disseminated to staff and all staff have read September 2021.	
Social distancing of staff	<ul style="list-style-type: none"> ➤ It is no longer recommended that it is necessary to keep groups apart as much as possible. ➤ All staff to ensure that those entering the school are symptom free. If anyone shows visible symptoms such as a sudden persistent cough they are to be refused access. ➤ All staff to be encouraged to engage with lateral flow testing and vaccinate if not already done so. ➤ Consideration to be given to staff rotas and teaching responsibilities, to minimise disruption to school should unvaccinated staff need to self-isolate until February 22 half term ➤ Early years staff in school-based nurseries, maintained nursery schools and private, voluntary and independent nursery settings are part of the asymptomatic testing programme offering rapid lateral flow home test kits for twice weekly testing 	Anyone showing symptoms, are required under government guidelines to carry out a test and to self- isolate for 10 days if they receive a positive result. Keep under review	Daily
Mental Health and Wellbeing	<ul style="list-style-type: none"> ➤ Any staff member must discuss any health and wellbeing concerns with Senior Leaders without delay ➤ Staff will have information available and links/signposting of agencies who may be able to support ➤ HT will discuss additional support through LCAT should staff member require ➤ Bereaved staff will be offered RBKC Support Information; opportunity will be given for any staff member to engage in 'Zoom' individual sessions or telephone consultations 	Keep all staff up to date with well- being initiatives published weekly e.g. Five ways to well-being coronavirus staff resilience tips https://www.ndna.org.uk	
Social distancing of children	<ul style="list-style-type: none"> ➤ Regular sessions with a focus on hygiene, handwashing and spread of germs will take place to support children's understanding. Songs, games and stories will be used to support this. ➤ Children are no longer required to be kept in small bubbles. 	https://www.gov.uk/government/publications/coronavirus-covid-19-early-years-and-childcare-closures	Daily
Social distancing of parents	<ul style="list-style-type: none"> ➤ Parents are invited to make office enquiries at the screened reception desk (not the atrium desk) 	Staff members to remind parents of symptoms and keep themselves and parents/carers up to date with latest	Daily

	<ul style="list-style-type: none"> ➤ Parents of children with SEN may drop their children to class in the mornings wearing a face covering. ➤ Parents must enter the building at collection time due to the lack of external space but are asked to collect and go using one way system operating through two stairwells ➤ Parents have been asked to wear a face covering if not exempt (re introduced November 21- as a result of positive cases) ➤ Any parent/carer coming to Barlby Primary School must confirm the following: <ul style="list-style-type: none"> - if Parent/carer or anyone in their household are currently unwell or displaying a high temperature or new cough. - Any member of the household has newly contracted Covid-19 - 'Clinically vulnerable' children and staff should follow the advice of their doctor. - Identify those staff or pupils who are, or who live with someone who is, symptomatic or a confirmed case of COVID-19. Double vaccinated individuals do not need to isolate unless they receive a positive result. Those not vaccinated will need to isolate for 10 days. https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance ➤ Parents updated by email and verbal reminders used to reinforce the message. ➤ Claiming financial support under the Test and Trace Support Payment scheme - GOV.UK (www.gov.uk) 	<p>government advice and guidelines. Latest updated documents available to read in the front office</p> <p>Staff and children with a positive rapid lateral flow test result should self-isolate in line with COVID-19: guidance for households with possible coronavirus infection. They will also need to get a free PCR test to check if they have COVID-19.</p> <p>While awaiting the PCR result, the individual only needs to self-isolate if they are not double vaccinated.</p>	
Entry to school	<ul style="list-style-type: none"> ➤ Parents are currently only allowed to stay in the building for essential meetings. Essential meetings will be held in large enough areas to maintain 2m distancing, or via electronic means. ➤ Parents will not bring children to school if they or someone in their household is unwell or experiencing symptoms of Covid-19. ➤ Ensure, when possible, the use of public transport is minimised, especially at peak times. Parents and Children are encouraged to walk/bike/scoot to school. ➤ Parents will be reminded not to congregate at the front of the school. ➤ When collecting children at the end of the day Parent/carer/ wait outside the building at the designated collection exit in an orderly manner, wearing face coverings; unless exempt. ➤ Buggies/prams/scooters/cycles that are used to transport children to school should be stored outside by the parent and not left at the premises. ➤ Consider staff and children's mental health and well-being. Identify any child/adult who might need additional support so they are ready to work/learn. ➤ MindEd Hub 		Daily
Registers	<ul style="list-style-type: none"> ➤ No changes to electronic register systems and expectations ➤ Pupils must be collected on time at their designated location at breaktime/lunch ➤ Any child not collected and deemed as late will be taken through to playcentre provision. ➤ Staff to continue signing in on the electronic system. Disinfect after use. 		Daily
Fire Evacuation	<ul style="list-style-type: none"> ➤ In the event of a pre-planned Fire drill, normal evacuation procedures will be followed. ➤ Where emergency evacuations are necessary, the focus should be on evacuating the building quickly and in an orderly manner without the focus on social distancing. ➤ School children evacuate and congregate in designated area to front of building ➤ Review any personal evacuation emergency plans (PEEPS) to ensure that arrangements are still adequate and relevant. 		

Physical Arrangement	<ul style="list-style-type: none"> ➤ Staff to follow their normal daily risk assessments before the start and end of each day's session. ➤ Staff will wash hands on arrival at school and throughout the day ➤ Staff will conduct lateral flow tests each Sunday and Wednesday evening and record their result using www.gov.uk/report-covid19-result ➤ Practitioners to ensure all resources/equipment, toys and appliances used throughout each session is thoroughly wiped and cleaned. Washable items should be washed on a daily basis at high temperatures, toys and resources that can be sterilised should be done so on a daily basis. All furniture used throughout day to be thoroughly disinfected at end of each use or end of the session ➤ Disinfectant wipes and spray to be readily available in all areas used by /children but still stored in a safe area away from the reach of children. 		Daily
After School Provision	<ul style="list-style-type: none"> ➤ Will run as usual from September 2021 ➤ Essential cleaning is required at the end of school day. ➤ Mixing between age groups/schools after school is inevitable but all usual precautions eg. hand washing should be followed 		Monthly
First Aid	<ul style="list-style-type: none"> ➤ Children's individual medications are to be stored in the usual way ➤ Where possible physical contact should be kept to a minimum e.g. pupils apply cold pack where possible. ➤ Those administering first aid should wear PPE appropriate to the circumstances. Wash hands and ensure the affected area is cleaned upon completion. 		
Inside space including equipment/ resources/ toys etc	<ul style="list-style-type: none"> ➤ Ensure all children's belongings are clearly labelled with their names and that all children have sufficient spare clothing ➤ Malleable materials (messy play). An assessment should consider whether the item can be used, cleaned or replaced 		Daily
Outdoors	<ul style="list-style-type: none"> ➤ Children will be encouraged to use the outdoor sinks regularly 	Any resources equipment taken and used outside must be wiped and cleaned before next use.	Daily
Meal times	<ul style="list-style-type: none"> ➤ Hot lunches will be prepared as usual ➤ Parents will provide water bottles for their children each day. Children to drink from their own named water bottle during the day. ➤ Children to wash their hands before and after lunch. ➤ Children to choose their own piece of fruit/veg. 		Daily

Pupil wellbeing	<ul style="list-style-type: none"> ➤ All parents will receive a copy of this Updated Risk Assessment on request. It will also be uploaded onto the school website ➤ Support will be given to any child who is upset on arrival 	<p>The child's emotional wellbeing should be paramount, and all staff members should use their knowledge and understanding of child development and consider the child's individual needs when adhering to this recommendation.</p> <p>All staff members should also consider the parent/carers emotional well-being as they may be experiencing stress and anxiety about leaving their child, staff members to take this into account when making a decision.</p>	Daily
Behaviour	<ul style="list-style-type: none"> ➤ Our school behaviour policy remains in place; however, this has been revised in light of covid. 		Daily
Use of PPE	<ul style="list-style-type: none"> ➤ Staff to ensure that there is an adequate amount of PPE available for when changing nappies and any soiled areas/equipment. Inform admin officer when levels of PPE equipment are low. ➤ Staff to use PPE when dealing with First aid and children's accidents as directed by RBKC guidance, (RBKC Guidance attached to Covid-19 Policy) ➤ SEND staff to use PPE and facial visors when supporting intimate care and when supporting individual children as per their individual risk assessments ➤ In line with behaviour guidelines and revised policy; if positive handling is required Full PPE will be used ➤ Any professional who attends school to work with children and are using PPE will be offered to place their PPE in clinical waste bags ➤ Safe wearing, removal and disposal of face coverings. Staff and visitors should remove and dispose face coverings in allocated bins. Safe wearing of face coverings requires cleaning of hands before and after touching- including to remove or put them on- and the safe storage of them in individual, sealable plastic bags between use. Where a face covering becomes damp, it should not be worn, and the face covering should be replaced carefully. 	<p>Indicate what bins are allocated for disposal</p>	As and when needed

<p>What to do if a child becomes unwell</p> <p>Contingency Plan</p>	<ul style="list-style-type: none"> ➤ If a child becomes unwell with suspected Corona Virus they will be isolated in the community room with a familiar adult until they can be collected. ➤ Keep the internal door closed and open external door ➤ Use toilet in community room ➤ Admin staff to be informed if they need to contact parents ➤ Admin staff will contact parent to ensure swift arrival to collect child ➤ DSL will contact social workers if the child is a vulnerable child ➤ Staff member supporting child will maintain social distancing where possible ➤ Wash hands for 20 seconds after making contact with the ill pupil ➤ Parents will be instructed to take their child for a test and inform the school asap of the result of the test: DFE Guidelines: system of controls: Response to any Infection ➤ HT has access to test kits for the purpose of staff and those families for whom it may be they have limited access to a test should their child or staff member develop symptoms 	<p>Remaining children from said child's group will be monitored and temperatures taken</p> <p>Parents of these children will be informed</p> <p>Room will be thoroughly deep cleaned after the child has gone home</p> <p>If positive test confirmed contact Public Health England using reporting tool</p>	<p>As and when needed</p>
<p>Symptoms of Covid-19</p>	<ul style="list-style-type: none"> ➤ Anyone with any symptoms of Covid-19 at home must not enter the building, see: https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/ ➤ Anyone with any symptoms of Covid-19 at home must inform the school immediately by telephone so that interim actions can be taken. ➤ Anyone with any symptoms of Covid-19 at home must go for testing and inform the school of the result. ➤ HT has access to test kits for the purpose of staff and those families for whom it may be they have limited access to a test should their child or staff member develop symptoms ➤ If anyone develops symptoms of Covid-19 during the day they must go immediately to the allocated isolation room. ➤ If an adult has developed symptoms during the day, they must leave the site immediately and go for testing. ➤ Individuals are not required to self-isolate if they live in the same household as someone with COVID-19, unless identified with the Omicron variant; or are a close contact of a positive COVID-19 case and any of the following apply: <ul style="list-style-type: none"> • they are not fully vaccinated. • they are below the age of 18 years 6 months • they have taken part in or are currently part of an approved COVID-19 vaccine trial • they are not able to get vaccinated for medical reasons <p>Instead they will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so.</p> <p>Children who are aged under 5 years old who are identified as close contacts will only be advised to take a PCR test if the positive case is in their own household.</p> ➤ If an individual has tested positive for Covid-19 they must self-isolate for 10 days, and inform the school. ➤ If an individual has tested negative for Covid-19 they can return to school. 	<p>Use the test booking portal system to book COVID19 Test for staff with suspected cases. https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested</p>	<p>Daily</p>

	<ul style="list-style-type: none"> ➤ For further guidance, please refer to Government guidance: https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june ➤ School will complete the LA questionnaire to report confirmed positive cases (LA Bi Borough) ➤ School will inform PHE to report confirmed positive case on 0800 046 8687 selecting option 1, and follow guidance (if numbers are above range) ➤ Log completed ➤ Always call 999 in an emergency. 		
<p>What to do if there has been a suspected case in school</p>	<ul style="list-style-type: none"> ➤ Keep any waste from possible cases and cleaning of those areas (e.g., tissues, disposable cloths and mop heads) in a plastic rubbish bag and tie when full. ➤ Any cloths and mop heads used must be disposed of as single use items. ➤ Place these bags in a suitable and secure place away from children and mark them for storage. ➤ Wait until you know the test results to take the waste out of storage. ➤ If the individual tests negative, put the bags in with the normal waste. ➤ If the individual tests positive, then you'll need a safe and secure place (away from children) where you can store waste for 72 hours. ➤ If you don't have a secure place, you'll need to arrange for a collection for 'category B' infectious waste from either your: <ul style="list-style-type: none"> ➤ Local waste collection authority (if they currently collect your waste) Or, by a specialist clinical waste contractor ➤ School will complete the LA questionnaire to report confirmed positive cases (LA Bi Borough) ➤ School will inform PHE to report confirmed positive case on 0800 046 8687 selecting option 1, and follow guidance (if numbers are above range) 	<p>Parents will be notified of any confirmed cases of Corona Virus via phone call, email, or text messaging system.</p> <p>Parents will be notified as a result of PHE guidance following a positive test result.</p>	<p>As and when needed</p>
<p>Visitors</p>	<ul style="list-style-type: none"> ➤ Visitors will not be allowed on site unless prior arrangement with Head Teacher ➤ Visits for SEND therapies should continue. Visits that allow a vulnerable child to meet a social worker, key worker or other necessary support should continue on site. ➤ Any unexpected visitors attending the building will be kept in the screened reception area until the school has confirmed their visit is essential. ➤ School will notify any visitors prior to their arrival if a positive case of Covid has been recorded 		<p>Weekly</p>
<p>Contractors</p>	<ul style="list-style-type: none"> ➤ Only contractors carrying out essential maintenance or snagging deemed necessary to the safe running of the school are to be allowed on site and will read and comply with face covering and hygiene rules ➤ Any contractors who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, will not be allowed on site. ➤ Staff and contractors are to maintain a safe distance between themselves and others (2 metres). ➤ All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering and leaving the site. ➤ Agree approach to scheduled / ongoing building works. 		

Deliveries and waste collection	<ul style="list-style-type: none"> ➤ Do not approach delivery staff, allow packages to be left in a safe place. ➤ Store delivery items for 72hours prior to unpacking/use or antibac the packaging ➤ Hands are to be thoroughly washed after handling all deliveries or waste materials. ➤ Waste collections made when the minimum number of persons are on site (i.e., before/after normal opening hours). 		
Premises safety	<ul style="list-style-type: none"> ➤ Fire alarm testing will continue as usual. ➤ Additional maintenance controls will be arranged and up to date including, legionella controls, servicing of equipment, PAT testing etc. (see contractors' section)
