Please e-mail info@barlby.rbkc.sch.uk to inform us of covid related absence. We will support you. The updated risk assessment reflecting the changes in guidance can be found on our website.

There are several positive cases of covid-19 at Barlby. Some children, staff and families are isolating but we intend to continue as planned until Friday. Cases are evenly spread across the year groups so infections are not concentrated in one particular area of the school.

We intend to open fully as normal on 4th January but if anything changes we will inform you via e-mail. We are fully committed to face to face learning for all and will continue to do everything we can to deliver on this.

Dear Parents & carers,

It has been a tough year for everyone and Barlby has seen its share of setbacks but we worked through them together as a community. Lockdowns, a full school move, demolition and delays not to mention a full inspection five weeks after moving have presented us with challenges, but we look forward to 2022 with hope and positivity. The staff team would like to join me in thanking you for your support, loyalty and encouragement. The vast majority of parents & carers have shown us kindness and support throughout a year of very significant change- thank you! I would also like to take this opportunity to wish all our families a very safe, restful and Happy Christmas and holiday period.

With best wishes,
Anthony Mannix-Power
