Date: Friday 22nd April 2022

Letter: 27

Well done to all of the Year 5 children who have been taking part in a six-week health project run by the QPR Community Trust.

Six lucky children have won tickets to a game at QPR - congratulations to Shaher, Shayra, Idris, Preston, Nicolas and Taylor.

Our mental health practitioner, Magdalena Niemiec, and family practitioner, Sharon Hall, are part of our in-school mental health support service from Place2Be.

*They both would like to invite all parents for a coffee morning, which will be organised on **Wednesday 18th May at 08:40am.***

They would like to use this time to introduce their roles to you as well as talk and answer any questions about different types of support Place2Be has to offer for parents and children in our community. Additionally, various topics and suggestions from parents will be considered for any potential coffee mornings events in the future.

As a school we are trying to address food poverty and food waste: Take a look at <https://toogoodtogo.co.uk/en-gb>
An app that connects you with restaurants and shops that have food to be collected that would otherwise be wasted.

The Platinum Jubilee

In the week commencing 23rd May the children will be involved in special learning projects linked to the jubilee. The week will culminate in a playground (street) party for the children on Friday 27th May and there will be fancy dress. The options are;

- Traditional Jubilee colours ie. red, white, blue...or platinum purple.
- An inspirational person from the last 70 years.
- A royal theme a queen, king, prince, princess etc.

We are delighted with our new playgrounds and a much calmer drop off and collection time. Thank you for your support during the interim period while we were waiting for them to be completed. We understand that some families are choosing to use the resident park to the front of school- please note that we cannot offer toilet facilities after school as it impacts on staffing and site security.
