

Core Subjects

Literacy: Our class reader for this term is 'The Great Kapok Tree' by Lynne Cherry. We will be basing our Literacy on this book. Children will be writing setting descriptions of the rainforests and jungles amongst other things.

Skills:

- Using punctuation correctly including inverted commas and capital letters for proper nouns.
- preparing letters to write to important people about how climate change can have a major impact on our rainforests.
- using dictionaries to check the meaning of words that they have read.

Maths: This term we will be focusing on measurement. Including reading clocks, timetables, length & height and position and directions.

Children will be able to read the time to 5 minute intervals on an analogue and digital clock.

Year 3 Summer 1

Other Subjects

P.E: Our topics are fitness and hockey. Children will have an indoor and outdoor pe lesson once a week.

Computing: Children will have a 1 hour lesson in our new ICT suite.

Our Topic this term is:
'Rainforests'

Geography Focus: Children will be focusing on how rainforests are formed and completing a case study all about The Amazon in South America.

Science Focus: Children will be learning all about plants. Children will be able to label different parts of a flower and complete a plant experiment.

Art Focus: Throughout this topic, we will be focusing on Henry Matisse and making our own prints and 'painting using scissors'.

Topic Vocabulary:

conservation predator Amazon
jungle deforestation camouflage
tropical canopy
