

# ROOTS CLASS

## SUMMER 1

*Our new topic: Living & Growing*

*We will be learning lots about plants, fruits and vegetables.*

*We also be learning about how our own bodies grow and how we can keep ourselves healthy.*

In **Maths** we will continue to practise our counting skills. We will also start to add and subtract, using games and songs to help us.

In **phonics**, we will start to learn two sounds a week. Our sounds for this half term are: **f, l, j, v, w, y, z, qu, ch**

We will be **reading** lots of stories and non-fiction books about living and growing.

We also are going on our **second trip**. This time we will be visiting **Meanwhile Gardens** for some outdoor learning.
