

Year Group: Reception

Week beginning: 19.06.17

Next week we are continuing our pirate topic.

We will be:

- Making a boat and choosing our own materials to ensure that it is waterproof
- Estimating how many objects it will take to sink a boat
- Learning how to half objects and how to cut them evenly
- Designing pirate props e.g. eye patches, telescopes and flags
- We will also be completing our Tricky Words Quiz on Friday!

We are very excited to visit the Diana Memorial Playground on Wednesday (Palm) and Thursday (Fig)
