

Designing Supertatoes

Fig Class - February 2017

This week Fig Class got very creative, imaginative and super excited! During our learning about *healthy eating* we designed and created our very own superheroes using potatoes. First, we designed our supertato on paper thinking about what we would like it to look like and then we got very busy and creative. The next day we did some superb writing where we wrote a profile for our supertato. We came up with fantastic super powers and very imaginative names!
