

Year Group: 6

Week beginning: 22.05.17

Next week we will be learning about:

- **Literacy:** We will be looking at how to write persuasively within a promotional leaflet.
- **Maths:** We will be looking at how to represent data in a number of modes: line graphs, bar graph, scatter diagrams and so on. We will be practising our ability to mathematically explain their contents.
- It is Science Week – we will be planning and carrying out a range of investigations based on electricity. We will then share our learning at a Science Fair on Friday.

Also:

- We will be starting our kayaking sessions on the Canalside.
- Please learn your lines for our end of year production of Hercules.
