London Zoo!

IC

On Wednesday 8th May Oak Class enjoyed a very exciting trip to London Zoo, and although it was raining it did not stop us! As part of topic, Paws, Claws and Whiskers, we have been learning about different animals, where they live in different parts of the world, their habitats and their diet. It was a great opportunity to see so many animals and learn even more about them. We know we will be able to use all our new information to help us with our learning back in the Classroom!
