Fire Risk Assessments & Procedures

All schools are obliged to have fire risk assessments completed. Most schools, including Barlby engage the services of an external specialist to carry out this task. Please note that in order to facilitate a safe evacuation; buggies are not permitted in the school hall particularly when the whole school is present. Thank you for understanding.

Graduate Volunteers: We are seeking graduate volunteers to support learning. This is an excellent way to gain some additional experience before embarking on a PGCE course or a career working with children. Please e-mail Ms Keane if you are interested; colette.keane@barlby.rbkc.sch.uk
