Not good this week due to a winter bug!

The Christmas Production

The tickets have been allocated and numbered. Your seat corresponds with a chair so there is no need to wait outside in the cold. We know you will be very supportive of us and understand that there are approximately 600 people in the hall for each performance. You might not have the best of views but we have filmed the show for you. Please help us by:

- Leaving buggies under the cycle shelters outside
- Not standing in the hall as this blocks exits and the view for other parents
- Not filming
- Respecting that not all parents give permission for their child to be photographed- there will be photo opportunities in the classrooms after the show

As a primary school we are very baby friendly but if your little one is being noisy, please step outside for a moment until he/she is quieter as the children will not be using microphones.

Christmas Jumper Day

The children are encouraged to wear a Christmas Jumper to school on Friday 15th December. We have booked a theatre group to perform a pantomime as a special treat so the day will be a non- uniform day.

Please take a moment to look at our school website. There is lots of useful information included- also, have a look at the class pages!
