

# Year Four Open Morning Feedback

Autumn

## **What you say about us...**

- You enjoyed the letters the children sent home inviting you to the Open Morning
- You loved that the children could talk about their learning with you.
- The Open Morning is very inclusive of everyone and a good chance to see the different activities.
- You think the children's writing is showing clear progress.

## **Your suggestions...**

- 1) To see more art work in the topic sessions
- 2) To see a lesson in action
- 3) See further improvements in hand writing.

## **What we aim to do as a result of your suggestions...**

- 1) We will be looking at how to incorporate art within our science based topic. For example, we have created blue prints during our long house design.
- 2) In the past we used to run Open Mornings where the parents would watch a lesson in action, however we felt it was more purposeful for you and your child to look through the books in more detail. The children really enjoy having this time to share their learning with their parents/carers.
- 3) We are continuing to make handwriting a focus of our Literacy lessons along with handwriting books.
