

Year One Open Morning Feedback

Autumn

What you say about us...

- You loved looking through your child's books and seeing the amount of learning that has been done.
- You are pleased to see the progress made in writing.
- The Open Morning allows you to be a part of your child's learning
- You liked the links between the learning in class and home learning

Your suggestions...

- 1) To see more sketching and model making
- 2) To have conversations with the teacher about the books and children's learning
- 3) To provide more home learning on number formation and handwriting

What we aim to do as a result of your suggestions...

- 1) As our previous topic was PE based, we did not complete many standalone Art lessons. However, we will ensure the books are ready and available for you to look through during the next Open Morning.
- 2) The children really enjoy having this time to share their learning with their parents/carers. During these Open Mornings, teachers are available for you to discuss your child's learning or any queries/comments you may have. Alternatively, please feel free to book an appointment to meet with your child's teacher before or after school.
- 3) We set home learning that links with the objectives that have been taught over the week. We encourage parents to read daily with their children. However, if you would like support with handwriting and number formation then please speak to the Year 1 teachers.
