

Reception Open Morning Feedback

Autumn

What you say about us...

- You love spending time looking through your children's learning with them.
- You are able to see the progress which your children are making and they show real pride in their work.
- You feel confident and happy when leaving your child in our care.
- You can see the positive relationships which staff have with each other and with the children.
- You really enjoyed the Phonics and Literacy workshop which was held after the Open Morning and you found it useful.

Your suggestions...

- 1) You would like to see more writing.
- 2) You would like to see work on 'two letter phonics' e.g. th, ch, ng.

What we aim to do as a result of your suggestions...

- 1) The children take part in daily Phonics and Literacy sessions and they also complete regular writing activities with an adult. As the children become more confident when holding a pencil, forming letters and using their Phonics to write words we would expect them to complete more writing independently and there are always writing tools and equipment available for them to write their own letters, lists, stories, cards etc.
- 2) Lots of children in Reception are now confident with individual letter sounds and have moved onto Letters and Sounds Phase 3, which includes many more digraphs (two letters making one sound e.g. th, ch, ng) and trigraphs (three letters making one sound e.g. igh, ear).
