The Library is Open!

Visit our fantastic school library on Tuesdays

Open from 3.30pm until 5pm.

We have a wonderful range of books to inspire independent reading and support curriculum work. Your child will be able to borrow and return books accompanied by a parent/carer.

Please speak to our school librarian Jayne for more information. Come along and get reading!

Please leave buggies under the cycle shelters.

GDPR (General Data Protection Regulations)

Schools and other organisations are required to adhere to new regulations from 25th May 2018. We are required to declare the data we hold and why we hold it. There are several tasks to be completed by schools before the deadline.

One of the implications involves photographs and videos. This term we will be asking that assemblies and/or community events are not filmed. You can of course take photographs of *your own* children. Not all parents/carers give permission for their child to be photographed and therefore we ask that you do not photograph children other than your own. We are tightening up on our own website and social media profile currently.
