### Barlby Booker

We were delighted to have over sixty entries for the last competition. Very well done to Ryan Mousli and Rokšana Muradi who won first prize. Another competition will be coming soon.

### Parent/Carer Feedback

We have appreciated your kind words and suggestions during our regular open mornings. Look out for the overviews on classroom windows and on our website.

### Open Mornings

This half term is coming to an end already! Thank you for attending our open mornings. The children love to share their learning and achievements with you.

### Half Term Snack Challenge

Please see information overleaf about the Change4Life & Go Golborne initiative. Will you rise to the challenge?

### Match Attack Cards

Parents/carers have asked about the match attack trend. We try not to ban harmless, fun trends such as last year's fidget spinners or match attack cards. The children are allowed to play with them at break and lunchtime but if they cause problems in the playground or interrupt learning we may need to think again.
