Governor Update

As always, our school governors have been heavily involved and supportive of the school this half term. The Chair of Governors met Mr Mannix last week and attended the Debate Mate regional finals. Ms Horton is very supportive of the organisation and introduced Barlby to debating. Our Vice Chair has also been in school regularly and continues to lead our running club.

Governors also support with volunteer reading and work with Mr Mannix on improving school meals- this is a focus for next half term.

On Tuesday, the Chair of the Resources Committee visited school; attended our special E-Safety Assembly and conducted an H&S walk with the site team. The Curriculum Committee this week involved presentations from teachers about books, reading and Science.

Half-term snack challenge – information for school newsletters

Change4Life and Go Golborne are inviting families to try a Family Snack Challenge this half-term!

Did you know half the sugar kids eat comes from unhealthy snacks and sugary drinks? Too much sugar can lead to harmful fat building up inside and serious health problems, and also painful tooth decay.

To help you reduce the amount of sugar your children are consuming, remember fruit and veg are always the best snack, and count towards your child's 5 A Day. But if you are giving your children packaged snacks, stick to two a day max!

Children will be bringing home a 'challenge pack' including a challenge sheet, healthy snack ideas, and details of fun local activities with a healthy eating theme taking place over half-term. Please look out for the pack in your child's book bag. Can your family complete the 7-day healthier snack challenge?
