The Weather

Thank you for supporting us this week. We needed to adjust some of our systems to stay open and to stay safe. Learning continued uninterrupted and Mr Mannix is very grateful to the staff for their efforts- some travel very long distances and were determined to be at school bright and early. Snow doesn't stop us!

Reporting Absence

Please contact the school office if your child is absent. We are required to follow up on all unreported absence by phoning every number on a child's contact list until we can ascertain where they are.

Governor Update

The governors met this week to discuss PPG funding. This is a funding stream that schools receive from the government and we are required by law to publish information about it on our website. You can find our PPG statement on line.

Please check our school website and the class pages for regular updates:
