Electronic Signing In System: Now installed

We have entered the 21st century in the school office. Not only are we now cashless, we will have an electronic signing in system.

Please use the system to sign your child in if they are late. We would like the children to go straight to class to start learning and Amy will help you use the screen. School starts officially at **9am** so arriving after this time is a late arrival. There is the *option* to start school in open registration from **8.45am**.

The Library is Open!

Visit our fantastic school library on Tuesdays
Open from 3.30pm until 5pm.

We have a wonderful range of books to inspire independent reading and support curriculum work. Your child will be able to borrow and return books accompanied by a parent/carer.

Please speak to our school librarian Jayne for more information. Come along and get reading!
Please leave buggies under the cycle shelters.
