INTERNATIONAL FOOD EVENING

19th September from 3.30pm-6pm We will be holding a social event for our parents & carers on 19th September. This will be a lovely opportunity to come together as a community and meet our new families. We would really appreciate it if you could prepare a traditional dish or contribute some food to share. As usual, please note the ingredients. **Please come along!**

FLAGS

We are very proud of our diverse community and we celebrate this by displaying flags from all the countries represented in our school. In recent years, we have added a few. Please let us know if you cannot see your flag and we will aim to display it after half term.

ALLERGIES & MEDICINES IN SCHOOL

Mr Mannix wrote to parents & carers last week about supplying inhalers and epi-pens. Please inform the school office if your child has a medical need. We are also sending very regular reminders to parents & carers about children in our school with very severe allergies. Please do not include nuts in packed lunches or after school snacks.

COMMUNITY FRIDGE

You may have noticed a fridge in the corridor near the school office. We will be using the fridge in the months ahead as a community fridge. We are making huge efforts in school to reduce waste and want to share any extra food with our community. Please feel free to leave donations/food you do not need in the fridge and/or help yourself. Let's help each other whilst reducing food waste. (please remember to note ingredients if leaving a home cooked dish in the fridge).

Thank you for your kind donations to the food bank. We are still collecting and welcome donations of tinned or dry food or toiletries.
