Halloween code-along competition

on Facebook Live
@blueshiftcoding

How it works

1. Follow along on Facebook Live as our expert teacher shows you how to code spooky Halloween monsters in Scratch
2. Code your very own creations
3. Enter your code into our competition to be in with a chance of winning the prize and be featured on our website www.blueshiftcoding.com

FREE to enter and attend!

WIN TANGIPLAY ROBOT TOYS!
