Thank you very much for supporting us this week as we adjust to the new safety systems. Your patience and encouragement has been very much appreciated and it is good to know that we have welcomed all the children back to full time learning. A special welcome to our new children and families!

Attendance this week has been very good and the children have adjusted well. Barlby has remained partially open since March but we have all enjoyed working with full classes of children again. We remain focused on keeping them safe and happy whilst catching up on learning. Please feel free to get in touch with enquiries and e-mail your child's teacher directly. Please find e-mail addresses attached with this newsletter. We hope that we can return to spending time together in the months to come but in the meantime remember we are still here for you.

Key Office Contacts:

Breakfast Club

Re-opens on Monday at 8am. Children should arrive at Gate 1 which is situated at the main office. The charge is £3 and will be open to all children. Breakfast will be served in bubbles followed by table top activities. Please contact the school office with any questions.

Home Learning, Reading and PE kits.

More information will be sent via e-mail next week to support your child's learning.

Thank you for arriving at school at your child's allocated time.

Siblings can be dropped off together at the earliest gate time. Punctuality has been excellent this week with very few late children. This helps us maintain the learning bubbles and complex organisational systems we have put in place. Where possible, please drop off and collect alone.

Have a lovely weekend!
