### Barlby Re-build

There is excellent progress with our new building. You may have seen the windows being installed. The building is now being drylined and we will start to see the brickwork in progress in the weeks ahead. The school staff have been on site visits and you can see updates on our social media pages on a Friday.

Our new building will be accessed from the newly landscaped and pedestrianised Treverton Street and is on track for completion in the summer of 2021. Our current building will then be demolished over the summer holidays to provide landscaped ground level play space.

You are encouraged to e-mail your child's class teacher directly. They check their e-mails regularly. Stay in touch!

**Have a lovely weekend!**
