The Barlby Motto and Vision Statement

During 2008-2009, all members of the school community were consulted to refresh the vision statement and motto. This was reviewed in 2014.

Vision Statement: Our shared aspirations are to continue to develop as passionate and creative learners; taking small steps as we learn to build a stronger community.

Motto: Learning together; hand in hand to be the best we can be.

Our aim is to teach the children the motto and for them to have an understanding of what it means in everyday school life.

We have three Barlby Principles:

Be determined

Be respectful

Be creative

Organisation

School Rules

The school motto and principles are on display in each classroom.

They should be revisited with the children at the beginning of each term and at other times when necessary.

Positive Rewards

The following rewards are used to celebrate children's achievements:

- Every Monday a whole school Achievement Assembly is held to celebrate children's learning in different areas of the curriculum and achievements in extracurricular activities: music awards from clubs or sports teams, for example
- Outstanding outcomes are displayed on a 'wow' wall as a model to others
- Staff award children tickets related to the Barlby Principles; Be creative, Be determined, Be respectful. A winner for each principle is chosen during Achievement Assembly and the children are awarded Headteacher's Award stickers.
- Postcards are sent home to parents each week to celebrate positive behaviour and achievements in the first term of the school year
- 'Ask me about...' stickers are awarded for children with outstanding achievements. This will encourage other children, members of staff and parents to ask the achievers so they will be able to share their achievements with many others
- The Headteacher actively encourages staff members to send children to him for outstanding achievements. Children are awarded with 'Golden Buttons' so that everyone can acknowledge their achievement
